

SOUTH LOUDOUN BASKETBALL

2020-21 South Loudoun Basketball COVID-19 Safety Procedures

Introduction

South Loudoun Basketball is committed to ensure the safety and well-being of the players, parents, coaches, officials, Board Members and PRCS staff that support the league. South Loudoun Basketball is also committed to provide a recreational basketball environment following the local, state and federal guidelines pertaining to the COVID-19 pandemic. With this in mind, South Loudoun Basketball is making the following changes outlined in this document that will be in effect for the 2020-21 season.

COVID-19 Team Manager Responsibilities

Every team will be required to recruit parent volunteer(s) who will be designated as the Team Manager(s) and who will be responsible for the enforcement of the COVID-19 policies. Teams are encouraged to identify a primary and backup or set up a rotation among 2-3 parents to fill this role. An online training session will be required for team managers prior to the start of the season.

Health Screening on the day of participation

To be cleared for participate in South Loudoun Basketball, the Board Members, officials, coaches, parents and players must agree to complete a health screening questionnaire located in [Appendix A](#). If any participant does not meet the criteria to safely participate, the player and parent must voluntarily sit out of a scheduled activity until all the evaluation criteria are met. The COVID-19 Team Manager will be responsible for completing the online Daily Team Report form, located in [Appendix B](#).

Contact Tracing

The COVID-19 Team Manager will be responsible for taking attendance at the South Loudoun event. The Daily Team Report form, located in [Appendix B](#), must be submitted online no later than 24 hours after the scheduled event. Any absences from the practices must be documented with a reason for the missed practice, regardless of the reason for the absence.

Mandatory Voluntary Reporting of COVID-19 Positive Test

All South Loudoun Basketball participants must agree to report any COVID-19 positive test results so that South Loudoun Basketball can complete precautionary contact tracing. Due to the sensitivity and health privacy laws, an online reporting form will be made available and sent directly to the South Loudoun Basketball President. The President will be responsible for maintaining the privacy of the individual who has tested positive and will use the Daily Team Reports to provide notifications to any participants who may have been exposed to the participant that tested positive. [Appendix C](#) has a form letter to notify participants of a positive test result and all required precautions.

The participant that tests positive for COVID-19 will be prohibited from participating in South Loudoun Basketball activities for a minimum of 14 calendar days and must have a negative test before being cleared for participation. The South Loudoun Basketball President will be responsible for documenting and tracking these cases. [Appendix D](#) has the form that the South Loudoun Basketball president will use to track these cases. This information will remain confidential and not shared with anyone.
